Looking for your Jewish home in the Shenandoah Valley?

Join us in celebrating the rhythm of the Jewish year

Together, we mark the milestones in our lives. From celebrating births and b'nai mitzvah to saying Kaddish.

We are a tapestry of young families and retirees. Of interfaith and Jewish households. Of couples and singles.

And we come from throughout the Shenandoah Valley.

Where tradition and 21st century meet

When you walk in the door, you'll hear the echoes of the Beth El founders who created this sacred space for all of us.

And you will see how much is new, making life brighter for everyone:

- New sunlit lounge
- New bathrooms
- New offices
- New elevator
- New sanctuary seating
- New Sukkah garden

Discover the warmth of our Jewish community

Whether you came to Judaism by birth or by choice,

Whether you're exploring Judaism for yourself,

Or whether you are in an interfaith family,

Please take the first step. Give us a call to set up a time to meet.
